

# 2018 AASHTO SALARY SURVEY

Coordinated by the Division of  
Human Resources  
Colorado Department of Transportation  
for the AASHTO Subcommittee on Personnel and Human Resources

Jared Polis, Governor of Colorado  
Shoshana Lew, Director, Colorado Department of Transportation  
Herman Stockinger, Acting Director, Human Resources Division  
Beverly Wyatt, Human Resources Business Partner

**American Association of State Highway and Transportation Officials**  
444 North Capitol Street, NW, Suite 249  
Washington, DC 20001

## TABLE OF CONTENTS

	<u>Page</u>
Welcome	vi
Preface and Committee Recognition	
Preface	vii
AASHTO Executive Committee	viii
AASHTO Committee on Human Resources	ix
State Information	
2018 AASHTO Salary Survey General State Information	x
Web Sites for Job Class Specifications and Salary Information	xi
2018 AASHTO Salary Survey State Contacts	xii
Instructions and Definitions	
Guidelines for the 2018 AASHTO Salary Survey	xiii
Definitions and Calculations	xiv
Instructions for Sorting and Using the Electronic Survey Results	xv
State Abbreviations and AASHTO Region Numbers	xvi

## Salary Information by Classification Groups

### A. Administrative

A1. Department of Transportation (DOT) Director	1
A2. Major Division Director	2
A3. Governmental Relations Director	3
A4. Public Information Director	4
A5. Attorney Series—Series of 2	
A5(1). Attorney Staff	5
A5(2). Chief Counsel	6
A6. Auditor/Accountant—3 Classes	
A6(1). Auditor Senior	7
A6(2). Accountant Senior	8
A6(3). Financial Operations Director	9
A7. Information Systems—5 Classes	
A7(1). Information Help Desk Worker	10
A7(2). Information Specialist Entry	11
A7(3). Information Specialist Intermediate	12
A7(4). Information Specialist Senior	13
A7(5). Information Systems Director	14
A8. Electronics Technician Senior	15
A9. Human Resources Series—Series of 3	
A9(1). Human Resources Specialist Senior	16
A9(2). Human Resources Operations Manager	17
A9(3). Human Resources Director	18
A10. Internal Civil Rights Specialist	19
A11. External Civil Rights Administrator	20
A12. Purchasing—3 Classes	
A12(1). Purchasing Agent Senior	21
A12(2). Purchasing Manager	22
A12(3). Fleet Manager	23
A13. Bicycle and Pedestrian Coordinator	24
A14. Modal Planning Series—Series of 3	
A14(1). Transportation Support Officer	25
A14(2). Modal Operations Coordinator	26
A14(3). Modal Operations Manager	27

### E. Transportation Engineers

E1. Transportation Engineer—Non-Supervisory—Series of 6	
E1(1). Transportation Engineer-in-Training	28
E1(2). Transportation Engineer-in-Training Intermediate	29
E1(3). Transportation Engineer-in-Training Senior	30
E1(4). Professional Transportation Engineer	31
E1(5). Professional Transportation Engineer Intermediate	32
E1(6). Professional Transportation Engineer Senior	33
E2. Transportation Engineer—Supervisory—Series of 4	
E2(1). Transportation Engineer Project Supervisor	34
E2(2). Transportation Engineer Manager	35
E2(3). District/Division Bureau Transportation Engineer	36
E2(4). State Highway Transportation Engineer	37

## G. General

G1. Construction Technician Series—Series of 2	
G1(1). Construction Technician Intermediate	38
G1(2). Construction Technician Senior	39
G2. Design Technician Series—Series of 2	
G2(1). Design Technician Intermediate	40
G2(2). Design Technician Senior	41
G3. Materials Technician Series—Series of 2	
G3(1). Materials Technician Intermediate	42
G3(2). Materials Technician Senior	43
G4. Generic Engineering Technician Series—Series of 2	
G4(1). Generic Engineering Technician Intermediate	44
G4(2). Generic Engineering Technician Senior	45
G5. Technical Project Manager	46
G6. Highway Safety Program Administrator	47
G7. Geologist Senior	48
G8. Chemist Senior	49
G9. Landscape Designer Senior	50
G10. Environmental Series—Series of 2	
G10(1). Environmental Analyst Senior	51
G10(2). Environmental Manager	52
G11. Archaeologist Senior	53
G12. Cultural Resources Manager	54
G13. Transportation Planner Senior	55
G14. Land Surveyor Senior	56
G15. Right of Way—3 Classes	
G15(1). Right of Way Agent Senior	57
G15(2). Right of Way Appraiser Senior	58
G15(3). Right of Way Director	59
G16. Outdoor Advertising Manager	60
G17. Contract Specialist Senior	61
G18. CADD Specialist Senior	62

## M. Maintenance

M1. Highway Maintenance Series—Series of 4	
M1(1). Highway Maintenance Worker Entry	63
M1(2). Highway Maintenance Worker Intermediate	64
M1(3). Highway Maintenance Worker Senior	65
M1(4). Highway Maintenance Supervisor	66
M2. Equipment Mechanic Series—Series of 3	
M2(1). Equipment Mechanic Intermediate	67
M2(2). Equipment Mechanic Senior	68
M2(3). Equipment Mechanic Supervisor	69

O. Other	<u>Page</u>
O1. Movable Bridge Operator Intermediate	70
O2. Weight Enforcement Officer	71
O3. Motor Carrier Agent Senior	72
O4. Signal and Lighting Electrician Entry	73
O5. Motorist Assistance Operator	74
Benefits	75

The 2018 AASHTO *Salary Survey* has been prepared to provide job classifications and salary information on positions currently used by the transportation industry.

This survey is intended as a tool for human resources administrators and other professionals whose work involves studying and analyzing job classifications, writing job descriptions, and developing/designing pay structures unique to departments of transportation (DOTs).

This document contains 74 matched titles divided into 5 broad job categories. The categories are: administrative, engineering, general, maintenance, and other. For each title, a brief description, number of incumbents, salary range, and actual salary is included. A benefits section is also included, with information on medical insurance, paid time off, and retirement plans. States were instructed to submit data effective July 1, 2018.

Websites for job class specifications, salary information, and a DOT contact list are provided to obtain additional information not part of this survey.

## GUIDELINES FOR THE 2018 AASHTO SALARY SURVEY

The guidelines listed below were used by those providing information for the survey.

***If viewing the Excel spreadsheet version, note that the sections of the survey are on separate tabs at the bottom. The survey was saved at 130 percent magnification.***

1. Each state compared its job descriptions with the descriptions for the benchmark titles in the salary survey questionnaire and matched as many of the classes as possible.
2. A state could match multiple classifications to a single survey title as long as the state's titles were assigned to the same salary grade (i.e., had the same market rate). If they were not, the single best match was selected. If titles in differing salary grades were all equally accurate matches, the title with the largest employee population was used. If a state had no match, N/A was entered under the heading MATCH TITLE. Positions were not allowed to be reported under more than one classification.
3. Annual salaries (whole dollar amounts), were reported for permanent full-time employees only, effective July 1, 2018.
4. Incentive and longevity pay were omitted from the reported data.
5. The geographic terms *REGION*, *DISTRICT*, and *SECTION* should be interpreted where a *REGION* is a subdivision of the state, *DISTRICT* is a subdivision of the *REGION*, and *SECTION* is a subdivision of the *DISTRICT*. Some states do not use *REGIONS*.

6. The terms *ENTRY LEVEL*, *INTERMEDIATE LEVEL*, and *SENIOR LEVEL* typically have the following meanings throughout the survey:

***ENTRY LEVEL:*** Little or no experience, works under direct supervision. Applies fundamental principles and concepts of position. Performs more routine aspects and progresses to more varied and complex activities with development of additional knowledge and experience.

***INTERMEDIATE LEVEL:*** Performs duties under moderate supervision. Continuing development level. Performs more varied and difficult aspects of position compared to entry level. At this level the employee would have less latitude than at the Senior Level in terms of decision making and un-reviewed actions. However, this level requires considerable know-how of the subject matter, principles, and concepts of the position.

***SENIOR LEVEL:*** Performs full scope of advanced duties under limited supervision. Has independent decision-making authority, may have lead worker responsibilities. Competent in subject matter, principles, knowledge, and concepts; generally considered a specialist in area of assignment.

**NOTE: If an organization allowed work experience substitutions for educational requirements, it was acceptable to use the substitutions to match to the survey classes. The most significant point was to have the work being performed match the description of work provided in the survey classes.**

## DEFINITIONS AND CALCULATIONS

Below is an example of a completed data set as it appears in the results survey, including the definition and/or calculation for each item.

Match Title	# Inc.	# Inc. Calc.	ANNUAL PAY RANGE DATA			ANNUAL ACTUAL SALARY DATA				State	% (CALCULATED)	Region
			Minimum	Midpoint (CALCULATED)	Maximum	Actual Low	Actual Average	Act. Avg * # Inc. Calc.	Actual High			
State 1—title for classification	12	12	50,648	60,289	69,930	50,648	65,943	791,316	69,930	AA	124%	1
State 2—title for classification	14	14	48,636	59,880	71,124	48,636	64,274	899,836	71,124	BB	121%	2
State 3—title for classification	20	20	47,857	57,932	68,006	47,857	62,920	1,258,400	68,006	CC	118%	3
State 4—title for classification	4	4	43,932	53,418	62,904	43,932	61,080	244,320	62,904	DD	115%	4
State 5—title for classification	10	0	42,288	51,210	60,132	42,288			60,132	EE		1
# Incumbents & Averages:	60	50	46,672	56,546	66,419	46,672	63,554	3,193,872	66,419			
Group Weighted Average:		HIDE					53,231	HIDE				
Median:		COLM					63,597	COLUMN				

**PLEASE NOTE: ALL HIGHLIGHTED FIELDS (NOT GRAY) ARE CALCULATED WITHIN THE SPREADSHEET**

**MATCH TITLE:** The corresponding classification title used from each state's system. *Provided by each state.*

**# INC. (NUMBER OF INCUMBENTS):** The total number of filled permanent full-time positions in each state for the classification being entered. *Provided by each state.*

**# INC. (NUMBER OF INCUMBENTS CALCULATED):** The total number of filled permanent full-time positions for which there is actual average salary data in each state for the classification being entered.

**ANNUAL PAY RANGE DATA:**

**MINIMUM and MAXIMUM:** The lowest and highest possible salaries, respectively, for the classification being entered, regardless of whether an incumbent is receiving the salary. *Provided by each state.*

**MIDPOINT:** The sum of the Minimum and Maximum salaries, divided by 2. *CALCULATED AUTOMATICALLY AS IT IS ENTERED.*

**ANNUAL ACTUAL SALARY**

**ACTUAL LOW:** The lowest salary paid by a state to a current incumbent in the classification regardless of the full possible salary range. *Provided by each state.*

**ACTUAL HIGH:** The highest salary paid by a state to a current incumbent in the classification regardless of the full possible salary range. *Provided by each state.*

**ACTUAL AVERAGE:** The sum of the salaries for all incumbents reported in the classification divided by that same number of incumbents. *Provided by each state.*

**STATE:** The two alpha-letter abbreviation for each state. See the following chart for each state's abbreviation.

**% (PERCENT):** Compares an individual state's Actual Average salary (submitted by each state—see Actual Average definition) to the Group Weighted Average (Mean) salary (computed for all respondents). The following equation is used: individual state's Actual Average salary divided by the Group Weighted Average (Mean). *CALCULATED AUTOMATICALLY.*

**REGION:** The AASHTO region number assigned to each state. See the following chart for the region key.

**# INCUMBENTS and AVERAGES (MEANS):** Lists the sum of the number of incumbents reported by all respondents followed by the sum of the number of incumbents for states which reported actual salary averages (hidden column). The remaining columns contain the averages (means) for the pay range and actual pay data. *CALCULATED AUTOMATICALLY.*

**GROUP WEIGHTED AVERAGE (MEAN):** Calculated by taking each state's number of incumbents multiplied by that state's reported Actual Average, adding all the states' totals together, then dividing by the total number of incumbents with Actual Average salary data. *CALCULATED AUTOMATICALLY.*

**MEDIAN:** The middle value of all reported Actual Average values for a classification. If 5 Actual Average values are reported, the 3rd one in order (i.e., 2 above and 2 below it) is the median. *CALCULATED AUTOMATICALLY.*

**NOTE:** Some states did not report complete information on classifications, and some actuals are outside the ranges.

## INSTRUCTIONS FOR SORTING AND USING THE ELECTRONIC SURVEY RESULTS

**HOW TO SORT:** Highlight the range of cells you want to sort; this needs to include all the states and column headings listed in an entire classification.

**Example:** To highlight the data in *E-1(1). TRANSPORTATION ENGINEER-IN-TRAINING*, start by clicking on the **Match Title** cell in the upper left and dragging the mouse diagonally to highlight through the last state listed in the **Region** column in the bottom right. Do not include the row with the totals at the bottom of that classification.

**Note:** To select a range of cells, click and hold down the left mouse button while selecting all the desired cells. Release when the full range is highlighted.

- At the top of the screen, select **Data** from the horizontal menu bar and click on **Sort**.
- In the upper portion of the **Sort** box/window, select **My data range has headers**.
- Go to **Sort by** and select the most important information by which you want to sort the information.
- If you want to sort within your main criteria group, select **Add Level** and add more criteria.
- Click **OK**.

If you want to have the entire group sorted by regions and the states listed alphabetically within each region, select **Region** from the **Sort by** drop down, select **Add Level**, then select **State** from the **Then by** drop down. Select the order preferred for these criteria. Then click **OK**.

**Note:** Each classification in the final survey is currently reported by the **State** column in **Ascending** order.
